Telegram No. 33-A, dated the 22nd May 1919, from the Secretary to the Government of India in the Foreign and Political Department, Simla, to Local Governments and Administrations.

Punjab Government are publishing manifesto in English, Persian and Pashtu signed by about 130 Afghans resident in the Punjab, contradicting lying rumours which Amir has accepted as true, stating that people of Hindustan are living in perfect freedom and comfort, drawing attention to arrangements made for this year's Haj, and warning inhabitants of Afghanistan that British Government is fully prepared for this war which it has not sought, and assuring them that it does not interfere with the private affairs of the people, but protects their lives, property and good name. Arrangements are being made to disseminate copies in Afghanistan. Manifesto will also be valuable in Afghan communities in India as well as for general propaganda purposes. Please indent on Punjab direct for any copies you may require.
